

Etel Adnan

Tout ce que je fais est mémoire

3 March - 14 April

For spring 2018 Etel Adnan fill the Renzo Piano Pavilion with her vibrant colours. A selection of recent paintings demonstrate the rich and bold palette that has gained international attention in recent years for an artist who has a long, successful career as a writer and poet. Opposite these paintings, two large new tapestries will be shown for the first time. Working with a weaver from the historical region of Aubusson, Adnan continues in the tradition of Henri Matisse, Fernand Leger and other painters who have transferred their compositions to this medium.
